

Let It Snow (Key D)

D A
Oh, the weather outside is frightful, But the fire is so delightful,
Em A Em A D
And since we've no place to go, Let it snow, let it snow, let it snow.
D A
It doesn't show signs of stopping, And I brought some corn for popping
E A Em A D
The lights are turned way down low, Let it snow, let it snow, let it snow.
A E A
When we finally say kiss good night, How I'll hate going out in the storm;
E A
But if you really hold me tight, All the way home I'll be warm.
D A
The fire is slowly dying, And, my dear, we're still good-bye-ing,
E A Em A D
But as long as you love me so. Let it snow, let it snow, let it snow.
